

The Municipality of Santa Fe participated the 2020 Arbour Day last June 24. With the participation of PNP, BFP and MHO planted more than 100 seedlings at the Sitio Sambiray.

The day started early as the Municipal employees made their way to Sitio Sambiray, Magsaysay

Diligently working to plant the seedlings with the help of their colleagues

An accomplished face after successfully planted one of the many seedlings.

In participation of 120th CSC Anniversary, the HR Office led multiple activities to promote employees' capability and sense of community.

September 10, 2020

At Sitio Sambiray, Santa Fe, Romblon, attended by the officials and regular employees of the LGU-Santa Fe and was assisted by the BFG.

A picture of power, co-operation and adherence, the month long celebration started with yet again a tree planting activity.

Being led by our passionate Mayor, Hon. Elsie D, Visca, the first coconut was planted.

Getting the seedlings ready for the day of planting and giving back to nature.

Our Department Agriculturist, Eng. Charlie Andres shows how it was done.

Ladies getting their hands dirty when mother nature herself needs help.

September 10, 2020

A day after the Tree Planting activity, the Coastal Clean up Activity was then held. Joining the regular employees are the municipal's casual and job orders. More than a dozen of sacks of trash were collected.

Even with the threat of rain, the LGU-Santa Fe pushed forward to clean up the coastal of Agmanic beach. With sacks in their hands, employees alike picked up trash with the goal of reducing plastic wastes.

The BFP personnel joined in coastal clean up activity of the LGU.

Casual employees showed their effort.

The staff of MHO also participated.

In celebration of the 120th CSC Anniversary , The Human Resource Management Office of LGU-Santa Fe facilitated the Lecture for the CSC Update last September 24, 2020.

With Dir. Rafael A. Prado, the Acting Director II of CSC Field Office of Romblon as the spoke's person of the lecture, the day proceeded with an informative lecture.

Questions were raised during the lecture that Mr. Prado actively answered.

The productive day ended with the LGU employees picture being taken including the Acting Director, Mr. Prado with different office department.

September 24, 2020

In continuation of the celebration, the LGU Santa Fe also participated with the “Clean and Green ” activity, a community clean up.

The result of cooperation and hard work !!!

The newly signed TUPAD employees held their orientation at the 2nd floor of the Municipal Town Hall last November 17, 2020. They were oriented about their benefits and responsibility of being signed under the TUPAD program.

20 sets of PPE (in form of face masks and face shield) and uniforms were given.

KALINGA representative leads the orientation and shared his experience being a TUPAD beneficiary once.

Our 20 applicants. As COVID is an ongoing concern, face mask was required to ensure the applicant's health.

After the orientation, the applicants were signed the contract. KALINGA and DOLE personnel confirmed each applicant's information.

Signing of contract

On November 23, 2020, together with Dole staff from Odiongan, Hon. Elsie D. Visca and the PESO Mildred V. Gabaon, held the orientation for the 58 TUPAD applicants at Magsaysay covert court. After the orientation, PPE's were distributed to the TUPAD beneficiaries.
